

A support fixture you can attach to your household (or commercial) tools to make them stand alone, such as rake, broom, squeegee, mop, brush, shovel, trowel, . . .

- ✓ Light weight, water and weather resistant
- ✓ Made with durable plastic and Hard Drawn Galvanized Steel Spring Wire (will not break, rust or bend)
- ✓ **NO MORE** bending down to pick up your tool
- ✓ **NO MORE** searching for your tool in a pile of leaves
- ✓ **NO MORE** resting your tool on a wet paint wall
